**VIDEO: October 2023: “Casey Is Sponsoring A Bill That Would Target Drug Traffickers In China And Mexico. It Would Allow The Federal Government To Impose Financial Sanctions Against Companies And Cartel Leaders.”** Reporter: “Pennsylvania Senator Bob Casey is sponsoring a bill that would target drug traffickers in China and Mexico. It would allow the federal government to impose financial sanctions against companies and cartel leaders. Janet Morrison-Heberling lost her 30 year-old daughter Brianna last year to a fatal overdose and spoke in favor of the proposal.” [Reporter, WHYR Radio (Philadelphia NPR), [10/10/23](#)] (AUDIO) 0:01

**VIDEO: October 2023: “Senator Bob Casey Is Leading A Bipartisan Effort To Crack Down On Fentanyl Trafficking From China And Mexico. If Passed, The Bill Would Declare International Fentanyl Trafficking A Nationwide Emergency. It Would Dismantle The Fentanyl Supply Chain By Directing The US To Sanction The Chemical Suppliers In China And The Cartels In Mexico.”** Reporter: “Senator Bob Casey is leading a bipartisan effort to crack down on fentanyl trafficking from China and Mexico. If passed, the bill would declare international fentanyl trafficking a nationwide emergency. It would dismantle the fentanyl supply chain by directing the US to sanction the chemical suppliers in China and the cartels in Mexico. Casey says they are responsible for illegally trafficking fentanyl into Pennsylvania and other parts of the country.” [Reporter, KDKA (Pittsburgh CBS), KDKA-TV News at Six, [10/11/23](#)] (VIDEO) 0:00

**VIDEO: November 2023: “Casey Called On Congress To Pass Additional Funding To Hire More Border Patrol Agents.”** Reporter: “Casey called on Congress to pass additional funding to hire more border patrol agents.” [Reporter, WTAJ (Johnstown/Altoona CBS), WTAJ News at 6, [11/6/23](#)] (VIDEO) 0:40

**VIDEO: November 2023: “US Senator Bob Casey Is Looking To Crack Down On Fentanyl Entering The Country. Senator Casey Wants Lawmakers To Pass The FEND Off Fentanyl Act.”** Reporter: “Pennsylvania US Senator Bob Casey is looking to crack down on fentanyl entering the country. Senator Casey wants lawmakers to pass the FEND Off Fentanyl Act. The bill would go after chemical suppliers in China and the organizations trafficking drugs into the states.” [Reporter, WPMT (Harrisburg FOX)/FOX43, FOX43 Morning News at 8, [11/7/23](#)] (VIDEO) 0:00

**VIDEO: February 2024: “Senator Casey Has Been Working For Months With Law Enforcement And Families Who’ve Lost Loved Ones To Fentanyl To Get The FEND Off Fentanyl Act Passed.”** Reporter: “Senator Bob Casey was in town yesterday praising new efforts to stop the deadly drug fentanyl. Pennsylvania saw more than 5200 overdose deaths last year, more than 4000 of them involved fentanyl. Senator Casey has been working for months with law enforcement and families who’ve lost

loved ones to fentanyl to get the FEND Off Fentanyl Act passed. Casey says it would crack down on the fentanyl supply chain by going after the bad guys and hitting them hard with sanctions. It recently cleared the Senate with bipartisan support but has an unknown future in the House, as it's also tied to other Senate legislation aiding Ukraine and Israel." [Reporter, WTAE (Pittsburgh ABC), Pittsburgh's Action News 4, [2/20/24](#)] (VIDEO) 0:00

**VIDEO: January 2024: "Senator Bob Casey Will Introduce A New Bill Designed To Reduce The Flow Of Fentanyl By Providing Resources To The Southwest Border."** Reporter: "Senator Bob Casey will introduce a new bill designed to reduce the flow of fentanyl by providing resources to the southwest border. The bill called the Stop Fentanyl at the Border Act claims to strengthen security by providing funding for hiring more border patrol agents now. It would also provide funding for non intrusive inspection systems which scan the interior of vehicles and cargo passing through and create an inspection program to increase seizure of firearms." [Reporter, WHP (Harrisburg CBS)/CBS 21, CBS 21 News This Morning, [1/19/24](#)] (VIDEO) 0:00

**VIDEO: January 2024: "The Allentown Police Department Along With Senator Bob Casey Are Working To Stop The Flow Of The Deadly Drug."** Reporter: "4000 fentanyl deaths were reported in Pennsylvania in 2022. It's an issue that's only growing. The Allentown police department along with Senator Bob Casey are working to stop the flow of the deadly drug. Bo Koltnow has more on Senator Casey's plan." [Reporter, WFMZ/69 News, 69 News at 9, [1/23/24](#)] (VIDEO) 0:00

**VIDEO: February 2024: "Pennsylvania Senator Bob Casey Is Working To Pass His Bill To Block The Flow Of Fentanyl At The Southern Border. The Bill Would Allocate \$5 Billion Dollars To Fund More Law Enforcement And Technology To Scan Vehicles And Cargo."** Reporter: "US Democratic Pennsylvania Senator Bob Casey is working to pass his bill to block the flow of fentanyl at the southern border. The bill would allocate \$5 billion dollars to fund more law enforcement and technology to scan vehicles and cargo. This would be in addition to broader border security, he expects will soon pass the Senate." [Reporter, WHTM (Harrisburg ABC)/ABC27, ABC 27 News Sunday Morning, [2/4/24](#)] (VIDEO) 0:00

**VIDEO: March 2024: "There Has Been A Push To Combat Fentanyl Transports Over The Border By Pennsylvania US Senator Bob Casey."** Reporter: "There has been a push to combat fentanyl transport over the border by a Pennsylvania US Senator Bob Casey introduced the Stop Fentanyl at the Border Act to the Senate earlier this year. In a statement, Casey said that the legislation would give law enforcement at the border the resources, technology and support they need to secure the border and crack down on people smuggling in fentanyl." ## **BUY AMERICAN PRINT CLIPS**

**May 2023: Op-Ed: “Legislators, Including Pennsylvania’s Own Sen. Bob Casey, Attached A Long-Overdue Buy America Update Called The Build America, Buy America Act Which Closes Loopholes And Expands Coverage.”** “This fight playing out in Washington’s bureaucracy goes back to 2021, when President Biden signed the \$1.2 trillion Infrastructure Investment and Jobs Act. After a lot of legwork, legislators, including Pennsylvania’s own Sen. Bob Casey, attached a long-overdue Buy America update called the ‘Build America, Buy America Act,’ which closes loopholes and expands coverage of the domestic procurement rules that apply to federal aid infrastructure spending.” [Pittsburgh Post-Gazette, Op-Ed, [5/26/23](#)]

**November 2023: Casey, “Known For His Support Of Buy America Standards, [Had] Consistently Championed Legislation Aimed At Developing American EV Manufacturing Capacity And Ensuring Energy Independence.”** “Senator Casey, known for his support of Buy America standards, has consistently championed legislation aimed at developing American EV manufacturing capacity and ensuring energy independence.” [Franklin County Free Press, [11/9/23](#)]

- **April 2024: “Senators Bob Casey And Tammy Baldwin Have Influenced The Biden Administration To Investigate China’s Unfair Trade Practices.”** “Senators Bob Casey (D-PA) and Tammy Baldwin (D-WI) have influenced the Biden Administration to investigate China’s

unfair trade practices in the shipbuilding industry, as per the request of the United Steelworkers (USW). The investigation, to be conducted by U.S. Trade Representative Katherine Tai under Section 301 of the Trade Act of 1974, will examine allegations of China undermining American national security and economic interests in maritime, logistics, and shipbuilding sectors. USW's petition, supported by Senators Casey and Baldwin, led to this action, highlighting the U.S. shipbuilding industry's decline due to China's state-subsidized expansion. The USTR will accept public comments until May 22, 2024, and hold a public hearing on May 29, 2024. Casey advocates for Buy America standards and legislation to strengthen U.S. manufacturing against foreign competitive pressures." [Franklin County Free Press, [4/17/24](#)]

- **May 2024: "Senator Casey Supports Buy American Standards And Has Advocated For Policies To Boost American Manufacturing ... He Opposed A Resolution That Would Have Eliminated Buy American Requirements For Electric Vehicle Chargers."** "Senator Casey supports Buy America standards and has advocated for policies to boost American manufacturing. In November, he expressed his concerns to President Biden about possible reductions in Section 232 and 301 tariffs, citing national security risks. Additionally, he opposed a resolution that would have eliminated Buy American requirements for electric vehicle chargers, which would have increased U.S. reliance on Chinese products essential to clean vehicle infrastructure." [Franklin County Free Press, [5/14/24](#)]
- **"Casey Played A Key Role In Passing The Build America, Buy America Act Within The Infrastructure Investment And Jobs Act."** "Casey played a key role in passing the Build America, Buy America Act within the Infrastructure Investment and Jobs Act, mandating that all materials used in infrastructure projects be produced in the U.S. He also supported the Inflation Reduction Act, which provides tax credits for clean energy technologies and offers additional credits for using American materials." [Franklin County Free Press, [5/14/24](#)]

## CHIPS AND SCIENCE ACT PRINT CLIPS

**August 2022: HEADLINE: "Casey Touts CHIPS And Science Act During Mack Trucks Tour"** [Lehigh Valley Business, [8/15/22](#)]

**October 2023: "Casey Helped Pass" The CHIPS And Science Act That Gave Pennsylvania's Manufacturing Sector "Millions Of Dollars In Grants," While "Dave McCormick Railed Against It."** "Pennsylvania's manufacturing sector has qualified for millions of dollars in grants thanks to President Joe Biden's bipartisan CHIPS and Science Act. Democratic Sen. Bob Casey helped pass the legislation, while his likely 2024 Republican opponent, Dave McCormick, railed against it." [The Pennsylvania Independent, [10/24/23](#)]

**October 2023: Casey Announced That The Tri-County Workforce Investment Board Would Receive \$1.4 Million In Grant Money For "Boosting Semiconductor Manufacturing In The Region."** "The Tri-County Workforce Investment Board, serving Butler, Armstrong and Indiana counties, will receive \$1,400,000 in grant money from the Appalachian Regional Commission, announced Sen. Bob Casey, D-Pa., on Thursday, Oct. 19. This grant will go toward boosting semiconductor manufacturing in the region." [Butler Eagle, [10/20/23](#)]

**December 2023: Casey "Helped Secure A \$400,000 Planning Grant Through The CHIPS And Science Act's Tech Hubs Program For The Pressed Material Manufacturing Industry" In North Central Pennsylvania.** "He reviewed some of the ways he was able to help. Investing in pressed material manufacturing in North Central Pennsylvania was one. The region is home to one-third of the world's powdered metallurgy and carbon manufacturing facilities, and, Casey said, 'is poised to play a critical role in the nation's manufacturing future, including the in-demand electrical vehicle industry.' He helped secure a \$400,000 planning grant through the CHIPS and Science Act's Tech Hubs program for the pressed material manufacturing industry." [The Bradford Era, [12/30/23](#)]

**February 2024: HEADLINE: “Casey, In Schuylkill County, Says U.S. Semiconductor Production Must Be Restored”** [Republican Herald, [2/20/24](#)]

- **Casey Said “It Would Be A Really Bad Day For Our Country If China Aggressively [Moved] On Taiwan And [Took] Control Of Its Semiconductor Industry.”** “‘Imagine what would happen if China aggressively moves on Taiwan and takes control of its semiconductor industry,’ Casey said. ‘It would be a really bad day for our country.’” [Republican Herald, [2/20/24](#)]
- **Casey Said The Chips And Science Act Provided “Direct Investment In The Semiconductor Industry.”** “While EMD Electronics is not a recipient, Casey said the Chips and Science Act provides direct investment in the semiconductor industry. A bipartisan initiative, it was passed in 2021.” [Republican Herald, [2/20/24](#)]
